Re: Property Owner Authorization
170 Haverhill St
Methuen, MA 01844

To Whom It May Concern:

Please allow this letter to serve as my authorization to allow Bohler Engineering to sign permitting applications on my behalf, as property owner, for matters relative to the McDonald's drive thru renovation project at 170 Haverhill St Methuen, MA. Authorization is for the scope of work including reconfiguration of the drive thru from a single order to a dual order (side by side), 2 digital menu boards and 2 digital presell boards along with features for the drive thru layout, reducing parking by 3 spaces, reconstruction of accessible features for ADA/AAB compliance, interior building renovations, exterior remodel of the building including new signage (3 wall signs total), and approximately 45SF building addition to relocate the drive thru window.

Sincerely,
