James P. Jajuga
Mayor

Patrick L. Bower, PE
Director of Public Works

June 13, 2018

City of Methuen Department of Public Works

The City would like to request you reconsider your previous cost proposals for single stream recycling collection and trash collection, hauling and disposal. The City will consider proposals for trash collection, hauling and disposal and recycling collection and disposal, but will no longer consider proposals for the collection of yard waste.

The "Additional Container Locations" will remain the same as in your last proposal with only municipal facility locations included. See attached for a copy of the additional container locations for both trash and recycling.

Please provide your cost proposals for Trash Collection, Hauling and Disposal and your cost proposal for Recycling Collection and Disposal on the attached sheets and email to the Purchasing Director, Lauri Antonacci at LLAntonacci@ci.methuen.ma.us by 9:00 am on Thursday, June 14, 2018.
