

From the desk of the Interim Director

I would like to take this opportunity to thank all of you for the your kind words and expressions of faith that you have shared with me as I have transitioned into the Interim Director position. It is so important that you all know that anything I do here at the center is to benefit you. You are my reason! You are the biggest part of my 26 ½ year career at the Methuen Senior Activity Center. I will hold office hours for you to come and share with me the trials of life you are facing and to hear about the wonderful things that are happening to you on Friday's 10-11 am.

I also want to take this opportunity to tell each volunteer at the center the work you do here matters so very much not only to the staff but all those who visit the center for friendship to participate in events, classes, shopping in our Thrift Shop and so many other reasons. It takes many hands to help make us successful. You all do it with such amazing grace. I am so proud to be a part of this center and I will continue to be here for all!

I would like to extend an invitation for those who may have never been to the center. We offer so many programs, lunch program, volunteer opportunities, educational programs and so much more. Come and take a tour! Perhaps you like to play billiards, 45's, Ping-Pong, travel, or maybe sit read the paper, watch tv. Our hours of operation are

Mon-Thurs 8:00 am- 4:00 pm, Friday's 8:00 am- 12:30 pm.

We all look forward to meeting you!

Sincerely,

Susan Riccio / Interim Director
Methuen Senior Activity Center/ Council on Aging

Date & Time: April 10, 2025; 5:30PM – 6:30 PM

Program Title: Is Your Home Ready for the Future? How to Age in Place Without Worry!

Date & Time: April 17, 2025, 5:30 PM-6:30 PM

Presenter: Laura Lynn Morrissey

Program Description: You’ve worked hard to make your home comfortable—but is it truly built to support your independence as you age? 80% of people say they want to stay in their homes long-term, but only 20% have made the changes needed to make that possible. Most homes weren’t designed with aging in place in mind, and small, overlooked risks—like poor lighting, slippery floors, or hard-to-reach spaces—can turn into big problems that force people into costly moves or crisis-driven decisions. This engaging and practical session will help you: Identify the hidden risks in your home that could jeopardize your independence. Learn the simple, smart fixes that make aging in place safer and easier. Understand how healthcare is changing—and why your home needs to keep up. Walk away with a clear, actionable plan to make your home work for you, now and in the future. If staying in your home is your goal, this is the conversation you need to have—before a crisis forces the decision for you.

**The Senior Center will be open until 7:00PM Thursdays
March 6th, 13th, 20th, 27th, April 3rd, 10th, 17th and May 1st**
