Your Committee would here state that there was a mistake in the actual indebtedness of the Town, as reported last year. John Farley's Note was set down as being 255.00 when it should have been \$1055.00; which would have shown the Town indebtedness to have been \$4575.43, instead, as reported 3775.43.

At a legal meeting of the Inhabitants of the Town of Methuen qualified by law to vote in Town Affairs held on Thursday the 7th day of August 1851 agreeable to Warrant 81 File 6th.

Opened said meeting and Joseph W. Carleton was elected **Moderator**.

The following resolves were accepted and adopted.

Resolved that from a regard to the public interest of our Town we earnestly protest against locating a new road as petitioned for by J. F. Ingalls & others, and reported to the Town by our Selectmen the 30th of June instant for the following reasons. Viz. —

- 1st The aforesigned petitioners can have all reasonable accommodations for travel by suitable repairs and improvements upon the roads already in use by them and for a trifling expense as compared with the cost of a new road.
- 2nd The aforesigned petitioners have never been refused any reasonable aid or assistance from the Town, whenever a petition for the same has been presented, on any suitable occasion for the Town to have final action upon the same.
- 3rd The aforesigned road, that is petitioned for, can be of no possible use to the public whatever, but is likely to serve as a precedent for claims too numerous other roads in our Town of like character (character), serving no other purpose than to suit the convenience or fancy of very few individuals and to oppress the Town with a burden beyond its ability to sustain.

Voted To choose a Committee of three to carry out the views of the above resolves before the Commissioners, on Thursday August 14th 1851: - and the following persons were chosen.

John Russ Perley Morse Josiah Dearborn
